**Southfield Road Corridor Environmental Assessment Study–
Special Meeting for Business Community on Southfield Road
November 20, 2014 - Noon to 2:00p.m.**

Beverly Hills, MI (November 3, 2014) – The Road Commission for Oakland County (RCOC), in close cooperation with the communities of Southfield, Lathrup Village, Beverly Hills and Southfield Township, will conduct a Special Public Meeting for stakeholders who own property or have a business with frontage along Southfield Road within the Study limits. The meeting will present information about the ongoing Environmental Assessment study of future improvements to the Southfield Road corridor, from Mt. Vernon Road to approximately 1,200 feet north of 13 Mile Road.

MEETING DATE: **November 20, 2014**
TIME: **Noon - 2 p.m.**

LOCATION: **Lathrup Village City Hall
Community Room
27400 Southfield Road
Lathrup Village, MI 48076**

Businesses and property owners are encouraged to attend this meeting and learn about specific features and details of the alternatives that are being carried forward in the corridor study, ask questions and offer input regarding the corridor. This meeting is being held prior to a General Public Open House meeting scheduled at the same location later in the day at 3:00 p.m. You are welcome to attend both meetings, however, this earlier meeting affords the business community an opportunity to interact with members of the study's Steering Committee as well as other stakeholders prior to the General Public Open House. The study is being implemented in accordance with the National Environmental Policy Act (NEPA) and will be completed prior to proceeding with any engineering design for future roadway improvements. See Figure 1 on Page 2 for a map of the Study Area.

Those with disabilities needing accommodations for participation in this meeting should contact Brad Knight at (248) 645-2000 one week in advance to request mobility, visual, hearing or other assistance.
